Juneteenth Green Book

MICHIGAN STATE UNIVERSITY

2023 Edition
The MSU Green Book

Purpose

The MSU Green Book, was established in honor and recognition of Juneteenth. Juneteenth is a U.S. federal holiday celebrating the freedom of enslaved African Americans in Texas in 1865, after the Emancipation Proclamation was issued in 1863. The first edition of the original Green Book was published in 1936 by Victor Hugo Green. Its purpose was to inform African Americans where they could receive safe and friendly service in the era of Jim Crow. This book helped African Americans navigate in a racially segregated society. MSU’s Green Book’s objective is to 1) promote featured Black businesses in the Lansing /East Lansing areas who participated in the MSU Juneteenth Celebration; and 2) showcase African American student organizations at MSU. This Green Book serves as a foundation for students to feel included and an important part of the MSU community.
