

MSU DIALOGUES: RACE OR GENDER

**Listen deeply enough to be changed by what you hear.
Create change by building powerful relationships across differences.**

- Learn about your own identity
- Build relationships across differences of race, gender, ethnicity, class, sexual orientation, nationality, and other identities
- Create positive change in our community and beyond
- Develop leadership skills for life

"By actively listening to people whose ideas are very different than mine, putting my own judgments aside, and taking others' perspectives, I was able to harness more patience in listening to views that I find problematic. I learned to pause and ask clarifying questions."

SIGN UP NOW! Open to all undergraduate and graduate students. Spring 2019 semester dialogues meet for 90 minutes/week for 8 weeks. Various days/times. **This spring, choose a MSU Dialogue focusing on either Race or Gender.**

Application available on line at:
